Anniversaries

There are no anniversaries this week.

If your birthday or anniversary does not appear in the bulletin when it should, please contact the church office.

HELP US CARE FOR YOU

Many things have changed since COVID. As a part of that change, hospital waiting rooms have become smaller and visitor policies have changed. Help us know how to pray for you and meet your needs during illness, surgery and being homebound. Here is how you can help!

Prayer Requests:

Notify the church office of any prayer needs. A TEXT prayer request will be sent out for your church family to be in prayer, unless you request it not to be sent. You may ask it to be added to the printed bulletin prayer list. Please notify the church office of updates to your requests.

Procedures/Hospitalizations:

You or a family member can notify the church office of any upcoming procedures or hospitalizations. If you would like to have one of the pastoral staff to come & pray with you before your procedure/surgery, please let us know. We desire to respect your privacy and effectively minister to you & your family. Being hospitalized is a stressful time, and we realize that you may not feel like having visitors. Please advise the office or pastoral staff if you are open to visitors while you are hospitalized.

Rehab Facility/Homebound:

Please contact the office or pastoral staff if you would like to have a personal visit. Some facilities will have restrictions due to sickness within the facility or personally prefer not being exposed to possible illness or germs. We want to respect your requests and keep you safe.

Notify the Church Office:
